Question: What is Nunology?

Answer: Nunology is our **Ancient Mental & Spiritual Science** that teaches you how to tap into, work with and “**Apply**” the “**Positive**” **Unseen Forces in Nature** known to our **Ancient African Egyptian Ancestors** as “**Nupu**”. **Nupu** is the “**Hidden Dark Energy**” in **Nature** that represents the Original “**Creative Forces**”.

Nunology which is known as “**NUN**” Pronounced “**Noon**” is the **Science of Sciences** and is the Way we **Children of the SUN (PAA RE)** and **Nature as Ancient Africans** also known today as “**Melaninites**” learn to tap into, bring forth and work with the **Positive Life Forces in Nature**.

In **Ancient Africa (Egypt)** and **Ancient (NAPATA/NUPU-TA) Nubia or Cush** we called this **Science of Black Mental Magic (Al-Khemy) “NUN”**. To the onlookers who did not know or was **uninitiated** our **Science** appeared to be “**MAGIC**” and spookism, but to the **Initiated** and **students** of the **High Mysteries** at the time we always knew about the **Laws of Nature (Nazduru)** and the **Science** in working with the **Laws of Nature** to bring about a **Positive** result to raise the **Vibrations** of not only ourselves but all others around us and who come in contact with us.

Is NUNOLOGY for YOU?

The People who practice and “**apply**” this way of Life in this day and time as in Ancient times are known as “**NUNOLOGIST**”. **Nupu-Nun = Electromagnetic Energy** known today by the **Scientific World**.

As **African People Worldwide** “**YOU**” are an incarnated **Whole Light Being (SOUL)**, that has risen from the **Dark Waters** of **ANUN-RE**. **ANUN-RE** is the **Unseen Darkness** or **Ether** of **Original Creation** still and always will be “**CREATING**” which is **Growth** for creation truly means “**GROWTH**”. Realize now that your **Melanin** or what the **Science World** is calling “**MELANIN**” is a condensed form of **Light**, and responds to and interacts to **Light Waves, Vibrations, Tones** and **Frequencies** in its immediate environment.

We as **Nunologist** always knew that we could have an effect on distant places, persons, and things on this side of **h1 (Hydrogen)** via “**MIND POWER**”. **Nunology** is **Pure “Mental Energy”** that is in contact with the **Pure Mental Creative** thought of the infinite and boundless **Universes (Multiverse)** and Beyond the Beyond. Your **Mind Power** has been a symbol of your “**GOD POWER**” and “**Birth Right**” which is “**Greatly Lacking**” in this day and time as **African People World Wide**.

Is NUNOLOGY for YOU?

We are now living in the Day and Time where “**MIND POWER**” must overcome **Physical Matter** and gain back control which is **Order** over the **Chaos**! As a **Nunologist** you are the **MIND of GOD**, learn to utilize it! And when we say **GOD**, we mean “**any Person, Place or Thing** in control at any given **Moment**!” Your **Mind Power** as **Nunologist** is the Governor over **Space, Matter and Time** thus making you a “**Quantum Being**”, and in time all this will become clear to you, as your **Awareness** grows in remembrance of all these **Ancient Facts**! Always remember “**Oh Children of ALL**” that **MIND POWER** is **GOD POWER** and you always receive this confirmation through **facts**, “Which is **SOUND RIGHT REASONING**!” You now have the **Master Keys (Ankh)** to your ultimate freedom as a **Nunologist** to “**shape**”, “**mold**”, “**control**” and “**MASTER**” your **Destiny**!

Question: How will Nunology Benefit Me?

Answer: Nunology teaches you step by step how to work with and apply the laws of Nature in your everyday life. There are unseen laws and Forces within **Nature** that benefit all **Human Beings**, if only we would give the time to learn how access them. We **Nunologist** know that everything is a growth from **Eternal Almighty Nature**, and in knowing this fact we Reason out that we have a direct connection

Is NUNOLOGY for YOU?

and link with **Nature**. We never lost this connection, just lost the know how in strengthening this connection.

Question: Is Nunology for any group of People or Gender?

Answer: No, it is for all for we are all ***Children of Nature*** and we all Grew from **Nature** thus we all have a link to **Nature**.

Question: Will the study Nunology make me Rich?

Answer: Well you are born Rich, according to a Natural Living Law in Nature called the Law of Infinite Supply, there is never a time that **Nature** is Not Providing, so realize now that one first becomes rich in the **Mind**, before the Pocket. So yes, once you learn the **Study of Nature's Laws** also known as the **Laws of Nature**, and learn to apply them in your everyday life, then there is no limit to what you are able to do. What you desire it will manifest, this is a **Living Law** with in **Nature**, ASK and yea shall receive.

Is NUNOLOGY for YOU?

Question: Will Nunology bring me a Soul Mate, Love, and a Better Relationship with My Wife or Husband?

Answer: Of Course! It is a great idea to include the ones you love into the **Study of NUNOLOGY**, it does not matter how old a person is. We as **Nunologist**, know of what is termed **Divine Love**, coming from **Nature**, which is a **Love** that is not based on “**Conditions**.” So yes, once you learn how to bring back harmony into your life by learning how to realign with **Nature**, all areas of your life begin to rise into order, and the chaos stops. **Nunology** brings back balancement into your life, peace and harmony.

Question: Can I teach Nunology to my Children?

Answer: Sure, you have to remember, our children are more intune with **Nature** then we give them credit. They are the ones who are the closest to **Nature**, because they are still growing so all the fresh elements of **Life** are within them. The Question should be can I learn **NUNOLOGY** from my Children.

Question: Why is Nature such an important Study within Nunology?

Answer: Because being you are a **Child of Nature** you where created with what we call a “**Natural Nature**”,

Is NUNOLOGY for YOU?

once you are back intune with your **Natural Nature** according to what **Nature** intend for you then are living by what **Nature** naturally intends you to live by. The Pain and Suffering, that you see many are going through will end, because they now realize that they are the ***Masters of their Destiny*** and have the Power within them to change all things!

Question: You are right there is so much Human Suffering, what has gone wrong if Nature is Such a Provider?

Answer: Great Question! You have to remember People have lost their Connection with **Nature** by forgetting there **Natural Nature** and desiring to live outside who and what they are by **Nature** or what Nature intended them to be. For the Last 10,500 years Human Beings have experienced what we **Nunologist** call a **Mental Decline**, or regression. Now we are living in an **Golden Era known** as the **Solar Cycle of RE (The SUN CYCLE)** where **Human Beings** are starting to want to realign themselves with their **Natural Nature** and the **Divine Forces of Life**, within side of each of them.

Question: What do you call a Person who studies Nunology?

Answer: We are known as **Nunologist**.

Is NUNOLOGY for YOU?

Question: What is a Nunologist?

Answer: A Person who Studies Self and the hidden mysteries of Life. There are unseen forces within Nature to us **Nunologist** call the ***forces of NUN***. These **unseen forces** influence our everyday life and our **Conscious Awareness**.

Question: What do you means Conscious Awareness, are you saying we have the ability affect our lives by our Thoughts?

Answer: Yes this is exactly what we are saying! We Nunologist know that ultimately we are the **Masters of our own Destiny**, and in knowing this Desire to take back control of our life and our Inner Power, known as will Power (**Nun**) or **NUN POWER**, our inner hidden power that is responsible for the manifestation of all. We **NUNOLOGIST** know that our **Mental Powers** and what we Think and Envision Activates this **NUN POWER**, that is linked to ***Eternal Almighty Nature***.

Question: What is the Most Important Study in Nunology?

Answer: The ***Cultivation of the MIND***, We know a Person acts the way they think, which is a **Natural**

Is NUNOLOGY for YOU?

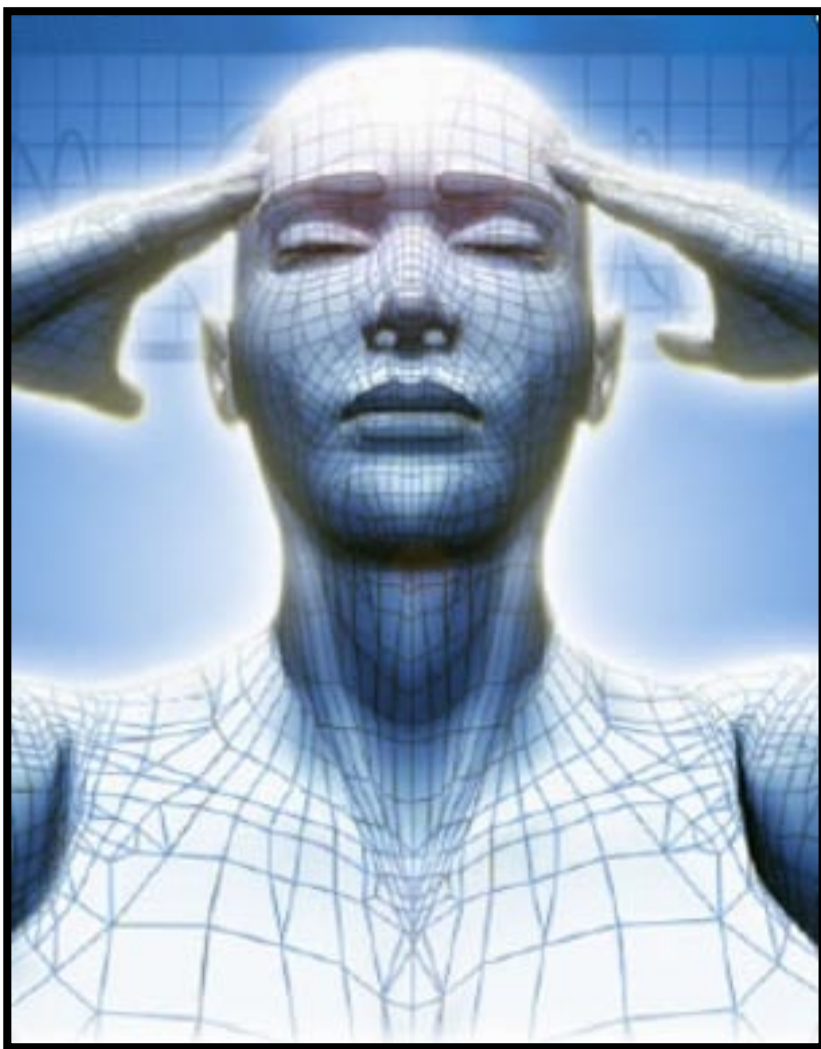

Living Law within **Nature** known as ***“The Law of Causes and Effects.”***

Question: Are there any other Studies in Nunology?

Answer: Sure not only do we study the Mind, the other aspects and compartments of your being, which are the Body, Sprit (**Life Forces**) and Soul (**Emotions**). This is what makes you a **Quantum Being**. In **Nunology** you also learn about **Life Sciences**, the **Anatomy of the Body**, **proper Care for the Body**, **Plants** and **Herbology**, and so much more.

Question: How do you Nunologist view The MIND?

Answer: We Nunologist view the **Mind** as ALL for as our **Ancient African ancestors** in **Cush (Nubia)** and **Egypt** displayed that **Mind Power** is **GOD POWER** by the many great structures they built and Cultures they influenced. **Nunology** teaches that Nature always Speaks to the Mind first either **Unconsciously (Sub-Consciously)** or **Consciously**.

The Power of Intention

Question: You mentioned the Subconscious Mind, why is this an important study of Nunology?

Answer: Because your **Subconscious Mind** is the doorway too all the **Forces within Nature**. So to learn the **Higher Aspects** of this Department of your **Mind**, is to be back intune with **Nature**, thus ALL and will guide you to unleashing your **Infinite Potential** that will assist you in your everyday life. There is a whole “**New Life**” waiting for each Human Being who are ready to Study, Work With and Apply the inner workings of their **Minds**!

Question: You make Mention of the MIND quiet often, is Nunology just another MIND THING, like some New age Teaching?

Answer: Well yes because, when people say New Age, they are correct in so far as We are moving into a New Era of Time known as the **Aquarian Age**, which is the Era of **Mind, Ether, Technology** etc... So yes now in this day and time, it is truly time to learn the **Cultivation of the Mind**, and **learn how to use** the other **95%** that goes unused untouched but controls every **involuntary function** of your whole being.

Is NUNOLOGY for YOU?

Question: Is Nunology a Fraternal Order, Secret Society, or mystery System?

Answer: No not at all, **Nunology** in all essence is just the **Study of Self** and how “**YOU**” The **Child of Nature** relate with **ALL**!

Question: Can Nunology assist me in strengthening my Connection with my Ancestors?

Answer: Of course, because our **ancestors** are also **spirit forces within Nature**, once we learn through **Nunology** how to re-attune ourselves with **Nature Forces** or **the Laws of Nature**, then communication with loved ones is not hard at all.

Question: You asked is Nunology for YOU, Why?

Answer: According to **Universal Law**, you always have to ask a person if they would be interested in learning a particular thing in order not to enforce your will upon another **Human Being**, this is **Universal Law**. To in force you Will upon another Human being is going against **Natural Law**, because then that person would not be moving by their own will but by the will of another, and if that person is moving by the will of another, they are not living what **Nature** truly intended them to do, thus we **Nunologist** call this “**Losing your Divine Rights**” or

Divinity". So we allow you to make a decision for yourself, then you are moving according to Natural Law from within your own being. We **Nunologist** know our Emotions or Feelings are signals from Nature to know if a Person, Place or Thing is for or against us, which we call the Higher Aspects of **Emotional Intunement** known as **Intuition**.

Question: Once a Person Loose there Divinity will they Get is back?

Answer: Sure you can get your **Divinity Back**, by simply making up your **Mind**, which beings with a thought, then a decision, which then activates ALL into **Sound Right Action**. We as **Nunologist** know that the worst thing one can do is not make up their own **Mind**, or Make an **Effective Decision**. For **Thought is Creative Energy** and like **Water (h2O)** is in Constant motion, and needs to **flow**. To stay stagnated is to stop the flow, which hinders growth, and ultimately leads to **Mental Death**, so we **Nunologist** in courage any Human Being to learn to make a decision even it is the wrong decision. Remember, we learn as we do. Nothing in the **Universe (Multiverse)** is still or stagnated, everything **vibrates**, everything is in constant motion, in knowing this why go against the **Flow of Nature**, that's not being **Natural**!

“NUN”

Ancient (**TaMa-Rean**) Egyptian Word and Principle for 1st, Prime, **Hidden Potential** and **Infinite Possibilities**. The Original Creative Forces of the Universe (Nature), the **Black Light** of **Intellect** (**Mental Energy**), the **Black Waters** or **Celestial Waters** known as the **Etheric Realm**, formless **Ethers**, Un-manifested energies, Nameless.

The Eternal Now!

*“As **African People** our **Minds** are linked to **ALL Eternal and Almighty Nature**, what we can conceive in our **Minds** will be, see it and so shall it be seen”. –*

Is NUNOLOGY for YOU?

-THE ETERNAL TEMPLE OF NUN- (WORLDWIDE)

"YOU" ARE THE ETERNAL TEMPLE OF NUN.

WHAT DO WE MEAN? LET'S LOOK AT THE MEANING OF THE WORD ETERNAL. ACCORDING TO THE MERRIAM WEBSTER'S DICTIONARY THE WORD ETERNAL IS DEFINED AS: ETERNITY: HAVING INFINITE DURATION: EVERLASTING: TIMELESS. ETERNITY IS DEFINED AS: INFINITE TIME: THE STATE AFTER DEATH: IMORTALITY. THE 'IMMORTALS'

TEMPLE – LATIN TEMPUS (TIME)-THE ILLUSION

'DO YOU NOT KNOW THAT YOU ARE THE MOST HIGH'S TEMPLE, AND THAT THE MOST HIGH'S SPIRIT DWELLS WITHIN YOU? FOR THE MOST HIGH'S TEMPLE IS HOLY, AND THAT TEMPLE YOU ARE.' - THE HOLY BIBLE, 1CORINTHINAS 3:16

AS YOU KNOW THE PHYSICAL BODY IS THE "TEMPLE", WHEN TAKEN PROPER CARE OF SUSTAINS LIFE. THE PHYSICAL TEMPLE IS AN ANIMATION OF THE THREE HIGHER QUALITY TEMPLES THAT ARE MADE OF A HIGHER MORE FINER SUBSTANCE, (I.E. MIND, SPIRIT, AND SOUL). THESE THREE QUALITIES WAS ONLY GIVEN A "LIMITED TIME" TO WORK ON PERFECTION. OUR ANCIENT TAMA-REAN (EGYPTIAN) ANCESTORS KNEW LIFE IN THE TEMPLE (BODY) WAS VERY IMPORTANT WHICH IS WHY THEY SPENT THEIR WHOLE PHYSICAL EXISTENCE 'PERFECTING' ONES KHU (MIND), KAA (SPIRIT), AND BAA (SOUL) WHILE KEEPING THEIR KHAT (BODY – TEMPLE) PURE WHICH WOULD GIVE THEM MORE TIME. "THE WORST THING YOU CAN DO IS WASTE ONES TIME!"
